

MARK

The Gospel of Mark is one of the four canonical Gospels in the New Testament of the Bible. It is attributed to John Mark and is believed to have been written between 50-70 AD. The book focuses on the life, ministry, death, and resurrection of Jesus Christ, presenting a concise and action-packed account of his activities.

Luke references Mark multiple times in the Acts of the Apostles. The early Jerusalem church would gather in his mother's house. Mark initially embarked on the inaugural missionary journey alongside Paul and Barnabas and later joined Barnabas on a mission trip to Cyprus. Mark's most pivotal relationship was with Peter, who is presumed to have been a primary source of the gospel's content. Peter frequented Mark's mother's residence and some scholars speculate that the Last Supper might have occurred in Mark's home.

The Book of Mark begins with the preaching of John the Baptist and the baptism of Jesus by John. The Gospel of Mark portrays Jesus as a dynamic and compassionate figure, showing his interactions with people from various walks of life. The book also underscores Jesus' teaching about the Kingdom of God, urging repentance, faith, and obedience to God's will.

A significant portion of Mark is dedicated to Jesus' journey to Jerusalem, where he predicts his impending suffering, death, and resurrection. The events leading up to Jesus' crucifixion are vividly depicted, including the Last Supper, his arrest, trial, and the crucifixion itself.

One of Mark's unique features is its fast-paced narrative style, using the word "immediately"
